

THOR

BLACK EDITION

**15
Lpm**

**500
Bar**

**7250
Psi**

**Diesel
Hatz**

Part No:	TBE15500DHE
Pressure:	500 Bar - 7250 Psi
Flow:	15 Lpm
Pump:	Interpump 66HP Series - W5015
Pump drive:	RS500 Gearbox drive & Vibroflex coupling
Engine:	Hatz 2G40 with oil alert
Starting:	Electric start with battery
Fuel capacity:	21 Litres
Pressure control:	Unloader valve & preset safety valve with external bypass, not fitted with chemical injector
Trolley:	Powder coated super heavy duty trolley with brake
Dimensions:	1190L x 680W x 875H, (mm)
Weight:	204 Kg

THOR

BLACK EDITION

Part No. **TBE15500DHE**

Diesel	15	500	7250
	Lpm	Bar	Psi

With a powerful Hatz twin cylinder diesel engine driving an Interpump 66 Series pump the Thor heavy duty pressure washer has been designed to operate in the most demanding of environments.

A key feature of the Thor is the unique Vibroflex torsional drive coupling. Located in-between the engine and gearbox it eliminates the on-off stresses and snatch effect that can occur when a conventional hollow to solid shaft drive system is used.

Additional features over the original Thor machine include...

- ❶ 21L fuel tank for all day running
- ❷ Fuel cut-off solenoid for ignition key shutdown
- ❸ New ignition panel with digital hour meter and warning lights
- ❹ Simplified parking brake mechanism.

Standard accessories include...

- ❶ Heavy duty high pressure lance
- ❷ 10m high pressure hose
- ❸ 4m suction hose and filter
